*Targa Newfoundland:
It's about the drive*

Imagine seven days of closed roads and open competition on the extreme edge of North America.

Featuring speed and precision classes, Targa Newfoundland is a chance for you to drive your car the way it's meant to be driven.

With over 175,000 spectators, 2,200 km of challenging roads, and coverage on Global and Speed Channel Networks, it's a world-class opportunity for you to push your limits and test your grit, while making memories and friends you'll never forget.

An event like no other...

Located on the eastern-most edge of North America, the island of Newfoundland has major personality. Renowned for its rugged beauty, the friendliness of its people is just as legendary. Become part of the Targa family!

"Thanks for giving us a place to play... to make new friends... to prove and improve one's self... to create some of life's greatest memories."

- Jud Buchanan, Team VDG, 6-Time Competitor
