

## Volunteer Incentives

### Bursary Program

The Targa Newfoundland (TN) Bursary Program is an annual five-thousand dollar (\$5,000) community assistance program. It is divided in equal amounts of one thousand dollars (\$1,000) for each of the Prologues and Legs of TN.

The Bursary has been created to show appreciation to the people of the communities that have hosted stages, provided volunteers, supported the use of their roads, and given so much to the growth of the TN. The bursary program offers financial support to TN volunteers by encouraging them to create, develop or complete a community related capitol project(s) that will bring benefit to the community, its residents, and particularly, to its youth. Projects that do not create infrastructure will not be considered. (Capitol projects are defined as tangible purchases, upgrades or investments in a given community. An example is the development of a community garden or upgrades to a library through book purchases)

The TN Bursary is open to residents, Targa volunteers, or to a not-for-profit group within a community which hosts a TN Stage. The TN Bursary is not open to elected officials, local businesses, or anyone associated with TN management group

Any person or group may submit a written proposal to the Targa Newfoundland Bursary Program Review Committee between July 1<sup>st</sup> and September 31<sup>st</sup> of the year for which the bursary is to be granted. The proposal must be made on the official application (schedule "C") within guidelines set out herein and must outline in detail the proposed project and the specific benefit it will give to the community. The winners will be selected from applications received from communities involved in the Prologues and each of the TN legs.

To be considered by the review committee the TN Bursary applications must be totally completed in its entirety. Incomplete applications will not be considered.

The application should state in detail whether the assistance sought is all or part of the funding needed to complete the project (if it is part of the project funding the applicant must set out all other sources of funding involved at the time of application), the time necessary for completion, what the project will accomplish for the community, and the recognition TN will receive.

Winners will be determined by a Review Committee which is selected annually and consists of one member of TN senior management, two Targa competitors in the year in which the award is given, and two independent persons. The committee reserves the right to combine awards where it feels appropriate or not to award if there is no deserving applicant. When chosen, the successful applicants will be announced and a cheque for the TN Bursary winners will issued. Should it be discovered that the Bursary funds are not used as set out in the application that applicant will not be allowed to apply in the subsequent year. All individuals, organizations and/or associations awarded projects must consent to the usage of images and information in all internal and external media and/or marketing communications as designated by TN. Participating projects may be asked to cooperate with local and/or other media as required for the purposes of promoting this unique program.

**2008 BURSARY PROGRAM APPLICATION FORM**

Date of Application: \_\_\_\_\_

Name of Applicant: \_\_\_\_\_

Community: \_\_\_\_\_ Name of Stage: \_\_\_\_\_
